Poems, Prayers, and Promises
I've been lately thinking about my life's time
All the things I've done and how it's been
And I can't help believing in my own mind
I know I'm gonna hate to see it end

And talk of Poems, and Prayers, and Promises
And things that we believe in
How sweet it is to love someone, how right it is to care
How long it's been since yesterday
And what about tomorrow
What about our dreams and all the memories we share?

The days they pass so quickly now
The nights are seldom long
Time around me whispers when it's cold
The changes somehow frighten me
Still I have to smile, it turns me on to think of growing old

For though my life's been good to me
There's still so much to do
So many things my mind has never known
I'd like to raise a family
I'd like to sail away, and dance across the mountains on the moon

John Denver

DEDICATION

Mr. Charles Varney

The Class of 1977 has had the good fortune to have had Mr. Charles Varney as Class Advisor during its Junior and Senior years. During that time, he has provided the inspiration and guidance that was essential to the success of the class. He contributed a tremendous amount of time and effort to each function and activity. We would like to express our deep gratitude to Mr. Varney. He will be remembered not just as a leader, but also as a very sincere friend.

"You give but nothing when you give your possessions. It is when you give of yourself that you truly give."

IN APPRECIATION

"An institution is the lengthened shadow of one man"
Emerson

Mr. Bradford Ek, Principal

Mrs. Harrington faithfully toiled many long hours in the publication of the Pinkerton Academy Critic. She was the major factor in the completion of this edition. Mr. Gaucher's input was also a tremendous aid to the Critic and both the Junior and Senior Plays. Each stuck by us through many trying times, always urging on success, never dwelling on mistakes.

The 1976 boys' cross country team proved to be the most successful in Pinkerton Academy's modern day history.

Captain Don Bergeron led his team to a 10-1 dual meet record. The Astro harriers also picked up trophies for first place in the Manchester Invitational, third place – Portsmouth Relays and second place – Merrimack Valley Invitational. The thirty-man squad was cut to the top seven over the final weeks of the season which saw the runners become increasingly stronger. Fine second place performances in the Class L Championship and State Meet Championship brought them a berth in the New England Championship at Waterville, Maine. Placing ahead of old nemesis Laconia and finishing fifth among twelve of New England's better cross country teams, our P.A. team had a close to an excellent season.

Assistant Coach Stuck's J.V. team produced an 8-0 record. The ten returning lettermen should produce a formidable nucleus for next year's team.

COUNTRY

Even though the Girls' Cross Country team is only in its second year, the girls showed their strong determination and team unification in putting fourth a fine season of 9 wins, 4 losses. They won their first trophy at the Portsmouth Relays for a second place finish. Always giving encouragement during the two mile race, Miss Nelson's coaching abilities showed through to the very end. At the Class L Meet and also at the State meet, the team placed third. Freshman Jennifer Colburn led the girls in the State Meet with a sixth place finish. Seniors Jill Briscoe, Nancy Kivikoski, and Laurie Munson will be leaving the team.

BOYS' WINTER TRACK

The Winter Track team had a 7 win 4 loss season record, and many outstanding performances were established. Steve Pendak, Alec Cobban, and Dan Gorman gave Pinkerton one of the strongest shot-put teams in the history of the school.

Junior distance runner Steve Noftle established new school record in the 2-mile run. The team was young and many of the top performers will be returning next year. If a sprinter can be found by next year, the team's chances of a state title will be excellent.

WINTER

GIRLS' WINTER TRACK

During the second year of Winter Track, the Pinkerton girls' team ended their season with a 16 win, 6 loss, 1 tie, record. In the Class L meet, the girls finished in 5th place. The Astros ended their season in a fine fashion by defeating Manchester Central for the first time in many years. Though this was only the squads third win, the swing of just a few breaks made the difference in four of the losses. The defensive stood strong led by the seniors and kept them in all the game but one. With many returning underclassmen, there are high hopes for next season.

THE 1976 SOCCER SEASON

In only its second year, the Pinkerton Astro Soccer team achieved success both on and off the field as the team posted a 10-4-0 record and had over fifty boys participating.

The Astros opened their season with a convincing 9-0 win over Coe-Brown Academy but proceeded to drop the next three decisions. While some expected the second year team to fold, the ten Seniors on the team led by Captain Steve Krikorian, pulled the team together and they won nine out of their next ten games. Highlights of the 1976 season included a 3-0 victory over Winnacunnet (their first conference defeat in over three years); a thrilling 2-0 overtime win over Pelham, and a 2-1 win over Exeter on the road. The team remained in tournament contention until the final day of the regular season when they were edged out by perennial soccer power Oyster River whose season end record was 10-3-1.

Outstanding individual efforts were turned in by seniors Mike Hauser and Jeff Nawrocki on the offense, Pete Richardson and Steve Krikorian playing defense, and goalie Tom Mitchell who averaged only .7 goals scored against him per game and was awarded All Division and Greater Lawrence Area All Star Honors.

The future of the Astro Soccer Team is bright since the spaces left by the departing Seniors will be filled by a strong underclassman squad. Coach Wallace will also be looking for support from Assistant Coach Mitchell's J.V. team which posted an excellent 6-3-2 record during 1976, its first season.

The Varsity Field Hockey team completed the season with a record of three wins, seven losses, and two ties. Although five players from the forward line will graduate this year, the rest of the team, composed of eight juniors and one sophomore, gained valuable experience this season which they will be able to put to good use next fall.

The J.V. Field Hockey season ended with a record of 1-8-1. The team had only four veterans this year. Although young and inexperienced, the squad was always on the attack and anxious to learn. The team is looking forward to a successful season next year.

The Girls' Varsity Basketball team completed their regular season with a 13-3 record to finish sixth in the state class AA. The girls then went on to compete in the state tournament. In the first game Pinkerton had to face Memorial – the only team that had beaten Pinkerton more than once during the regular season. The girls played a hard game and came out on top with a victory over Memorial in the first step of their quest for the state title.

During the regular season the team was led by Senior Captain Jennifer Johns and seniors Theresa Mitchell and Janet Galante whose contributions to the team will be missed next year. Jennifer and Theresa along with Junior Kathy Levandowski dominated the boards for Pinkerton this year. Junior Karen Bonney provided much of the team's offense this year, while Janet Galante was one of the key defensive players. Other team members who contributed a lot to the basketball program included Juniors Linda Williams, Joane Diffin, and Leslie Andrews, who was injured mid-season but hopefully will be back next year; Sophomores Jean Kelliher, Kristen Allen, and Mary Ellen Ormand; and Freshman Katie Manning.

The nine returning underclassmen along with the J.V. team members will be combining talent for next year. The Junior Varsity team completed their season under the leadership of Coach Fletcher with an outstanding record of 11 and 5.

FIRST ROW (L. TO R.): A. Leblane, J. Bartlett, R. Pearlman, V. Joyce, R. Blattenberger. SECOND ROW: L. Lavallette, J. Doran, T. Hodgdon, C. Ham, D. Russell, Coach Fletcher.

This year's J.V. Basketball squad consisted of eight freshmen and three sophomores. Although lacking in experience, the team made up for it with hustle and enthusiasm. Led by sophomore Captain Roz Pearlman, the team finished with a record of 11-5, losing tough battles to Milford and Portsmouth. Lucy Lavallette was the team's leading scorer and should be a valuable asset to next year's varsity team. Sophomore Tracy Hodgdon led all rebounders and received help from Cindy Ham and Jolene Doran, both freshmen. Other freshmen and sophomores contributing to the team were: Debbie Russell, Rhonda Blattenberger, Julie McLeen, Val Joyce, Julie Bartlett and Annette LeBlanc.

The team showed great improvement throughout the season and gained experience which will help next year's team.

1976 DIVISION CHAMPIONS

VARSITY LACROSSE 1976

The Varsity Lacrosse team finished their 1976 season with eight wins and four losses and continued to dominate Division I in Northern New England. High points in the season were victories over a powerful Andover team and over arch rival, Lincoln Sudbury. Goalie, Kevin MacGibbon, became Pinkerton's first two-time All American as he stopped 78 percent of the opponents shots. All American, Bill Wilder, was awesome on attack, breaking all of Pinkerton's scoring records with 64 goals and 51 assists (115 points) in his four year career. Other contributing seniors were Rick Metts, Craig Baldwin, and Dave Eno.

The 1977 season will find a senior dominated team, again trying to continue Pinkerton's domination of Northern New England. Strong points will be our midfield and attack. The Defensive team will need some work to replace the wisdom and experience that graduated in '76, but a fine group of rookies will be accepting the challenge.

J.V. LACROSSE 1976

With only two experienced players the J.V.s started their season with a lot of question marks. Jim Jeffrey stepped into the goal with no experience and helped inspire the team to an 8-4 record. Other standouts were Mark Krikorian on attack and MANY inspired mid-fielders, to include Bob Swain, Bob Nelson, Alan True, Mike Donovan, Dan Hazleton, and the "Three Rookies."

The J.V.s look forward to a fine year in 77 with some experience coming back in all areas.

VARIETY SHOW

This year the Class of '78 presented the Third Annual Varsity Show for Pinkerton Academy. The amount of talent among the students at the Academy is something to be proud of, and all the parents and friends that attended the show enjoyed it very much.

HOMECOMING QUEEN

During November, the Student Council held the First Annual Homecoming Weekend at P.A. The weekend started with a dance, at which Sue Pearlman was chosen Homecoming Queen, with Laurie Beaulieu and Anne Kelliher as first and second runners-up. The Queen and her attendants presided over the Homecoming football game the next day. The whole weekend was enjoyed by the student body, and Homecoming is hoped to become a tradition at Pinkerton.

The Critic Literary Staff gives thanks to the endless dedication and hard work of our advisors, Mrs. Harrington and Mr. Gaucher.

We also wish to thank our efficient typing and business staffs, business advisor, Miss Abbott, and our photographers, Don Vosburgh, Mr. Muller, Jim Lee, and Ken Mitchell, who always had a camera on hand at any given moment!

Deadlines always seemed to triumphantly sneak up on us, and we spent a majority of our time going crazy. However, through a little perserverance and a LARGE dose of sense of humor, we have managed to complete the 1976-1977 Critic Yearbook. We hope it will be enjoyed by the staff, our fellow students, and all who read it.

To the class of 1977, may all your poems and prayers and promises come to pass.
